

# New Altar Server

Welcome to Sacred Heart's Altar Server Program. Servers must be in 4<sup>th</sup> grade to be an altar server. Please fill out the information requested below. Please keep in mind kids use technology more than we do. Therefore, we ask for server's cell numbers and email addresses to make it easier for them to find subs. We ask for parent's cell and email addresses to keep them up-to-date with important information. If you have any questions, please call Jodie Miguez, coordinator of altar servers at 337-519-3085 or email her at [miguezassociates@bellsouth.net](mailto:miguezassociates@bellsouth.net). Please either email Jodie with this information, or after filling form mail to Sacred Heart Church, P.O. Box 737, Broussard, LA 70518.
